

# Mechanische Adapter / Mechanical Fixtures

## Technische Daten / Technical Data

| Typen-Nr.<br>Type-No. | Nutzfläche (mm)<br>Useable area (mm) | Gehäuse-/Bauform<br>Housing/Version | Bestell-Nr.<br>Order-No. |
|-----------------------|--------------------------------------|-------------------------------------|--------------------------|
| MA1                   | 190 x 165                            | Flach / Flat                        | 200-400-001              |
| MA2                   | 380 x 265                            | Flach / Flat                        | 200-400-002              |
| MA2/H2                | 180 x 165                            |                                     | 200-400-003              |
| MA3                   | 420 x 320                            |                                     | 200-400-004              |
| MA4                   | 650 x 340                            |                                     | 200-400-005              |
| <b>MA5P *</b>         | <b>280 x 290</b>                     |                                     | <b>200-400-006</b>       |

\* Beidseitig Top und Button Zweistufenkontaktierung ist mit diesem Adapter möglich.

\* Bilateral top and button two-stage contacting is possible with this fixture

## Zubehör / Accessories

| Bestell-Nr.<br>Order-No. | Bezeichnung                | Description                |
|--------------------------|----------------------------|----------------------------|
| NGA2                     | Niederhalterahmen          | Press Frame                |
| NKA2                     | LP-Klemmvorrichtung        | PCB-Holding Device         |
| IFMA2EX                  | Interfaceschiene           | Interface Plate            |
| SUB-D-25                 | Interfacestecker 25-pol    | Interface Socket 25-way    |
| SUB-D-50                 | Interfacestecker 50-pol    | Interface Socket 50-way    |
| IFMA2SYS                 | Systeminterface            | System Interface           |
| IFMA2IN320               | Übergabeinterface 320 Pins | TransferInterface 320 Pins |
| IFMA2IN640               | Übergabeinterface 640 Pins | TransferInterface 640 Pins |
| IFMA2IN960               | Übergabeinterface 960 Pins | TransferInterface 960 Pins |
| 200-400-00X              | Obenkontaktierung          | Top Access Contacting      |
| 200-650-001              | LED "Power on"             | LED "Power on"             |
| 200-650-010              | Hubzähler, LCD             | Counter, LCD               |
| 200-650-020              | Mikrosschalter             | Micro Switch               |

|                                     | Standard<br>Standard | Optional<br>Optional | Auf Anfrage<br>On Request |
|-------------------------------------|----------------------|----------------------|---------------------------|
| Standardadapter                     |                      |                      |                           |
